## APPRECIATION

- I spent almost three and a half years as The Group Commander, NCC Group KIDILAM KOTTAYAM, looking after Central Kerala Region. I had never been posted in Kerala but wanted to contribute towards the development of youth in my home state Kerala and NCC was the perfect opportunity. My initial days were spent trying to figure out the unique challenges of NCC as an organization, but with passing time, being in the Saddle I started to unravel the mysteries and the uniqueness of it and then the romance began with the unstinted support of each and every one.
- I was crystal clear from the beginning that the fulcrum of our entire energies was "The Cadet" and the sooner we realized it the more focused and fruitful would be our efforts. As I started my visits and familiarizing myself, I was always charged up after interacting with the Cadets, their questions, glances of awe and respectful hesitancy and this became the primer of my navitas.
- This journey of contentment was possible because of the unstinted support of all Institutions to include schools and colleges, Principals and faculty members and the ANOs who are the backbone of the institution. My visits to most Schools and Colleges impressed me beyond doubt. The finesse, attention to detail and meticulous planning in every event was like seasoned military precision. The various social programs, events and NCC activities carried out at short notices leave me with no doubt that Kerala as a state can be beacon for many others to emulate, even in the introduction of NCC as a General Elective in days to come.
- As I relinquish the appointment of Group Commander, I am thankful to each one of you for your unstinted support and dedication. I will always be there for each one of you more so because Kerala and especially NCC is close to my heart and will always remain.
- I specifically congratulate two significant programmes established by Newman NCC namely 'Share a bread-mid day meal scheme' which supplies around 500 food packets every day since 2013 and 'Share a bread-home for homeless' which could construct two houses for the poorest and marginalized section of the society. I appreciate the leadership and administration skills of the officer who led his institution towards the best institution award of Kerala Lakshadweep in 2017 and 2020.

Au Revoir till we meet again.
