## INTRODUCTION

The higher education field in India witnessed unprecedented experiences in the academic year 2020-21 because of the Covid-19 pandemic. The impact of Covid pandemic can be seen in every sphere of life. When it comes to education, this is the biggest sector that has been adversely affected by this contagion. It forced many great nations to enforce lockdown thereby bringing everything to an abrupt halt for a certain period of time. Right from the big businesses to educational institutions this Pandemic has literally altered and devastated the traditional ways of carrying out these things. The educational sector has been fighting to survive the crises. The teaching learning and evaluation methodologies have been completely altered by this pandemic. The digitalisation of education became a necessity in order to provide seamless education.

However, the academic community in Newman College displayed extraordinary will power and determination to keep the things steady and without any flaw. I feel so proud to tell you that we ensured the participation and involvement of both teaching staff and non-teaching staff to smoothen the proper functioning of the new system of teaching learning process in our college. No student of this college is left without access to the new mode of online education platforms. The teachers urgently rebooted themselves to bring the digital facilities like internet, smartphones and laptops for the students living even in the most remote areas, thereby, safeguarding the dreams and desires of our students. We worked hard to evacuate the digital divide, and assured digital equality for our students.

It is undeniably a great pleasure for me to tell you that we also arranged effective measures to safeguard the health of our students and staff during offline classes and university examinations. We efficiently sanitized our classrooms, examination halls, and obediently followed the Covid-19 protocol issued by the government of Kerala. We arranged thermal scan machine, soap, water and hand

sanitizer for students and staff coming for examination and class rooms were arranged spaciously. We successfully conducted two internal examinations for both UG and PG students without any complaint and other academic activities were also done safely. Newman College once again marked its glorious presence in the academic scenario of our state by securing top ranks in the university examinations. We were able to conduct online Onam/Christmas celebrations and our prestigious programme, merit day in the stipulated time.

Another great achievement in the last year is that Newman College Students bag top Prize in Reboot Kerala Hackathon competition. A team of six students of Newman College, Thodupuzha won the prestigious reboot Kerala Hackathon 2020 contest organized by Additional Skill Acquisition Programme (ASAP) functioning under the Higher Education Department. NajmaFarzana, Vishnu Vjay, Sandra Jayakumar, Amnessmon Baby, Hari Vijay and MuneerAhammed., the undergraduate students of various departments of the college emerged as the troubleshooters for hurdles among students including IITs and engineering colleges in a 36 hours long contest in the category of energy, the other day The winners will get a prize of Rs. 50000 and a token of appreciation. The students had their training under Dr. Alex Joseph, Department of Chemistry and Dr. Anju T.R, Department of Biotechnology.

We managed to start the construction of a new administrative building under the scheme of RUSA. We also started the functioning of STRIDE project sanctioned by UGC with a financial support of 1 crore rupees. Different departments of the College managed to conduct many webinars and online symposia with active participation of students and scholars, thereby, making our strong presence in the academia of the state. Many of the faculty members of our college served as resource persons in many webinars in last year and received appreciation and accolades. A few teachers got state wide appreciation for their substantial contributions to the student community by preparing online study materials and distributing them with the help of Kerala

Higher Education Council. The college has secured 22 university ranks including two first ranks in the M. G. University U.G and P.G. Examinations.

Dr. Jithin Joy, Department of Chemistry secured Ph.D. from M.G University. Dr. Jenni K. Alex, Department of Economics, Dr. M.V. Krishnakumar, Department of History, Dr. ALEX Joseph, Department of Chemistry, Dr. Beena Mary John and Dr. Indhu Sebastian, Department of Physics got research Guideships.

The classes II and III DC were started on 2 June 2020. I DC classes began on 22 October 2020, Mar George Madathikandathil, Patron of the College, V. Rev. Msgr. Cherian Kanjirakombil, Manager, Dr. Jayakumar, Deputy Director of Collegiate Education addressed students and parents through online platform. First PG Classes started on 22 December 2020.

## **HIGHLIGHTS OF THE YEAR**

### **RUSA GRANTS UTILIZATION**

The College has received infrastructure grants to Government Aided Colleges of Rs. 2 Cr. under the Rashtriya Uchchatar Siksha Abhiyan (RUSA).

Construction of the New building with the Extension of the administrative block, Renovation of B. Sc. Chemistry lab, Biotechnology Lab and Zoology Lab are going on. Tile works of various classroom, granite laying of the Science wing entrance, steps and staircase are completed.

### **CONSTRUCTION OF THE NEW ADMINISTRATIVE BLOCK**

Extension of the administrative block has started on January 2021 and is currently in the advanced stages of completions. The work shall be completed by the end of August 2021.

## REBOOT KERALA HACKATHON 2020

Reboot Kerala Hackathon is an initiative of the Department of Higher Education – Government of Kerala and the Additional Skill Acquisition Program (ASAP).

Reboot Kerala Hackathon 2020 aimed to provide students of Higher Education Institutions a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. Reboot Kerala Hackathon 2020 aimed to bring students to the mainstream governance by receiving their solutions for the issues faced by various Government departments. This will help in finding quick and effective solutions for the development of the state in a cost-cutting manner. Twelve teams of 72 students from Newman College, were finalized for participation in Reboot Kerala Hackathon 2020.

The team received certificate and a cash prize of Rs. 50,000/-

## ENERGY MANAGEMENT CELL

Being the winner participant in Reboot Kerala Hackathon 2020 in the theme energy, the team from Newman College, Thodupuzha under the mentorship of Dr. Alex Joseph, Asst. Professor, Department of Chemistry got direct entry to the Small Grants Programme without screening steps.

## **STUDENT SUPPORT PROGRAMME**

### **LEARNING SUPPORT MECHANISMS**

The students now have better opportunities to acquire new skills and training. The state government sponsored schemes like Additional Skills Acquisition Programme (ASAP), Walk With the Scholar (WWS) and Scholar Support Programme (SSP) are of great help to the students in nurturing their talents.

### **REMEDIAL COACHING / MENTORING- PROGRAMME**

The college is providing remedial coaching to the weak students in all departments. Each student is getting the assistance guidance and support of their mentor.

### **ADD-ON COURSES/CERTIFICATE COURSES/VALUE ADDED COURSES RUNNING**

Career oriented add-on programmes/Certificate Courses/Value Added Courses are currently running in the college. Each department is taking good care in conducting all these programmes.

### **CENTRE OF CONTINUING EDUCATION**

As part of the skill development programme, the Centre of Continuing Education, Kerala conducts diploma courses on Professional Diploma in Shipping and Logistics (1 Year) and Advanced Diploma in Logistics and Supply Chain Management (6 Months).

### **PLACEMENT CELL**

Placement cell offers job opportunities to students. The cell also offering different courses such as Bank coaching, TALLY course etc, to enhance the potential of students. These are very useful for students to achieve great heights in their career. Many students from our college are actively participating in job fairs & recruitment drives. Renowned firms

like HCL, Goan International institute, Infosys, Wipro, TCS have recruited our students. They are offering high salaries.

### **INDIRA GANDHI NATIONAL OPEN UNIVERSITY (IGNOU) STUDY CENTRE**

The IGNOU study centre, functioning in the college, offers a number of Certificate/ Diploma/ Degree and PG Programmes. Regular students can join these courses to enhance their job potentials and skills. The courses offered are:

- M.A. in English, Rural Development
- Bachelor Programme in Commerce, Tourism, Social Work, English, History, Sociology etc.
- Diploma/ Certificate programmes in Computer Education, Tourism, Rural Development, Food and Nutrition, Human Rights etc.

### **M.G. UNIVERSITY STUDY CENTRE**

The M.G. University Study Centre in the college campus offers a rich variety of latest books in almost all subjects. The Electronic Library called INFLIBNET containing several online journals is freely accessible at this centre.

### **LEARNING RESOURCES**

Sufficient Learning Resources are an inevitable part of the educational requirements. In this regard, the college is blessed with a well functioning library under the leadership of Ms. Liz Jacob, the Librarian. The UGC sponsored Network Resource Centre and the INFLIBNET-E-shodh sindhu facility are available in the library through which the students can access learning resources through internet. Our Library has a Total collection of 52048 books and around 126 magazines and Journals.

## **ORGANISATION AND MANAGEMENT**

The college has a well-defined structure with the governing body at the helm of affairs. The Patron and the Manager are the guiding forces in the running of the institution. The various academic and non-academic activities are planned and co-ordinated under the overall supervision of the principal. The principal is advised and assisted by the College

Council. The non-teaching staff work under the direct supervision of the principal to discharge the varied services to the teachers, the students and the general public. Different committees of staff members facilitate a collective working environment in the college. Besides, certain academic and administrative powers are delegated to all the department heads. Periodic meetings of the Principal with HODs are convened to take stock of the overall situation.

## **COLLEGE COUNCIL AND GENERAL STAFF MEETINGS**

The College Council is the highest advisory body as far as the internal administration of the college is concerned. As many as 10 meetings of the council were held during the year. There were many occasions which required the council to advice and support the principal for the smooth running of the institution. The council discharged its duties in full conformity with such requirements. Dr. Jenni K. Alex, Department of Economics functioned as the Secretary to the Council.

Apart from the College Council, general staff meetings were also a great source of help for the administration. The Patron, Mar George Madathikandathil, Rt. Rev.Msgr. Dr. Cherian Kanjirakompil, College Manger, Rev. Fr. Paul Nedumpurathu, Secretary to the Corporate Educational Agency addressed the staff many times. Frequent staff meetings of teaching and non teaching staff, open discussions have always helped improving the atmosphere on the campus.

## **INTERNAL ACADEMIC AUDITING**

The IQAC and college management prepared and distributed an Academic Performance Appraisal format to all regular teachers and evaluated their performances. The performance appraisal of teachers by the management committee and students are conducting every academic year. Such an exercise becomes very essential as the quality of education largely depends on the performance of teachers. The Corporate Educational Agency distributed a self-appraisal format to each teacher. The management committee evaluated each such form and suggested corrective measures, if needed.

On the other hand, students are also made to evaluate their teachers online. Each teacher is evaluated by the students on a 10 point scale on the basis of 10 indicators. The

students are also made to offer suggestions so as to improve the performance of the teacher. The score sheet is given to each teacher. These two initiatives have proved to be very fruitful in improving the teaching-learning environment in the college.

## **FINANCIAL MANAGEMENT**

The financial management of the institution is done under the direct supervisions of the principal. As a govt. aided institution, the salary part of the regular staff is borne by the govt. For the purpose of developing physical infrastructure, the college is receiving grants from UGC. Its utilisation is monitored by various committees like Planning Board, Building Committee and Purchase Committee.

## **EXAMINATION WING**

The most important component of an academic exercise is the conduct of examinations. Fortunately, the college traditionally has a well-knit organisational mechanism to supervise and conduct the University and the internal examinations. All examinations in the college are conducted under the direct supervision and control of Dr. Saju Abraham, Department of Botany, the Chief Superintendent of examinations and Sri. Xavier Kurian P., Department of Economics, the Assistant. The internal assessment component is being looked after by Dr. Krishnakumar V., Department of History. Internal examinations were held twice for each semester and papers valued and distributed to the students.

## **INTERNAL QUALITY ASSURANCE CELL (IQAC)**

The Internal Quality Assurance Cell (IQAC) of Newman College was established on 30 June 2004 and it has become an integral part of the institution's system and work towards realizing the goals of quality enhancement and sustenance. Over the years, the IQAC has developed a system for conscious, consistent and catalytic improvement in the performance of the college, evolved mechanisms and procedures for ensuring that the objectives of the IQAC as envisaged by NAAC are met and has made a significant and meaningful contribution towards channelizing efforts and measures towards academic excellence.

The IQAC of the College coordinates all quality-related activities by developing an organized methodology of documentation and internal communication. It works to enhance

and integrate the various activities of the College and to ensure the adoption and dissemination of good practices. The IQAC spearheads the conduct of the internal and external Academic Audit of the departments, which promotes quality, accountability and transparency. Such Academic Audits foster healthy competition among departments and sharing of good practices. The IQAC coordinates all the activities of the college. An effective feedback system has been developed to facilitate the feedback process to monitor the quality and efficacy of the policies and processes of the institution.

### **PARENTS TEACHER'S ASSOCIATION (PTA)**

The first PTA executive meeting during the academic year 2020-2021 was held on August 14, 2020. It was an online meeting on Google meet platform, due Covid lock down situation. The meeting congratulated the students who secured university ranks in the degree and PG examinations. It also acknowledged the role of teachers in preparing the students for the university examinations. The important points of discussion included, campus discipline, curricular and co-curricular activities, campus placement cell activities and other related matters.

The meeting discussed matters regarding the conduct of online classes in the wake of Covid situation. The principal informed the PTA executive committee members that class wise PTA meeting were held online on 13-07-2020, with the initiative of class tutors, department heads and other teachers. Many parents clarified different doubts regarding their wards.

Considering the Pandemic situation due to Covid, it was decided that the existing PTA executive committee be continued for the academic year 2020-2021.

May 2020. From the non teaching staff Sri. V.J. Sebastian, Sr. Superintendent and Sri. V.V. Jose, Head Accountant retired from service on 31 May 2020.

## **FUTURE PLANS**

Having reaccredited at 'A' grade by the NAAC with a relatively high score of 3.32 out of 4, the college is all set to enter the next phases of its growth, namely the Centre with Potential for Excellence (CPE) status and autonomous/deemed to be university status. With the extended support of the management, and staff, we are planning to take over the responsibility to complete the works in progress and initialte new academic and non-academic ventures. Our future plans for the next academic yearinclude:

### **COMPLETION OF THE NEW ENTRANCE FOR THE THE COLLEGE**

We have included the completion of the modification of the existing gateway for the college in the priority list. We hope to finish the modification of the new entrance by expanding the vehicle runway and pedestrian's path by the end of this year. As the Govt. of Kerala have issued an order No. 26433/G1/15/H.Edn. dt. 12-10-2015 which clearly stipulates designated parking area for students' vehicles, the parking area is proposed to be developed at the right side of the proposed gate.

### **INSTALLATION OF THE STATUE OF CARDINAL NEWMAN**

Another important plan for this year is the reinstallation of the statue of our Heavenly patron, John Henry Cardinal Newman who was canonized last year. We consider this as a signature initiative as it is an honour for our college which is named after Newman. We plan to place a complete statue of Newman right at the front gate which would definitely change the face and appearance of our college.

### **COMPLETION NEW ADMINISTRATIVE BLOCK USING RUSA FUND**

The work of new academic block connecting the existing office block with the commerce department under RUSA scheme is under construction. We plan to complete the construction by the end of the year.

## **AUDITORIUM RENOVATION**

We have decided to make necessary alterations to the college auditorium to make it sound proof. We also intend to expand the stage and furnish it properly to facilitate the staging of various programmes.

## **CLASS ROOM MODIFICATION**

We are planning to convert all PG class rooms into Smart Classrooms by furnishing it with projector screen, microphone and speakers. We hope these can facilitate ICT enabled teaching learning activities.

## **GUESTROOMS**

Many eminent scholars are frequently visiting the campus for academic purposes and we plan to build new guest rooms as part of the new block building under RUSA Scheme.

## **PHYSICAL INFRASTRUCTURE / INSTRUMENTATION**

A new central block is to be constructed in order to meet the demands of autonomy and ensure adequate physical infrastructure. This bridges the gap between the Arts and Science blocks, thereby redressing a long-standing grievance. We plan to build Ramps and renovate classrooms. All departments are to be checked to ensure that there was adequate software and computational facilities to meet the needs of a growing institution. Necessary equipment are to be bought and installed.

## **NEWMAN ENTREPRENEURSHIP**

Newman College is planning to initiate new schemes for promoting entrepreneurship among students and alumni through an Online Annual Christmas/Onam sale which gives visibility and recognition to alumni entrepreneurs as well as other female run enterprises. This promotional culture widens to encourage students in the campus through formation of an Entrepreneurship Development Club this year. The main objective of the club is to give exposure to various aspects of entrepreneurship to students during their course of study.

## ADMINISTRATIVE PLANS

Organize inter and intra institutional workshops/seminars on quality related themes related to the 7 criteria outlined by NAAC. Review the new Self Study Report (SSR) format and facilitate the preparation of the same. Facilitate the career advancement of faculty members. Organize activities and events that will promote skill-enhancement for teaching and nonteaching staff. Facilitate building career paths and enhancing competencies of students. Collect and compile feedback responses from students, parents and other stakeholders. Develop a new suitable format for departments to submit monthly data required for compilation of Annual Quality Assurance Report. Undertake Infrastructure Audit Administrative and Academic Audit Complete and upload SSR Complete Green Audit
