NEWMAN COLLEGE STUDENT CHARTER

We the students of Newman College, Thodupuzha, have consciously debated and meticulously documented this charter.

- Foremost, we resolve to make deliberate effort to propagate adopt and accomplish the aims of this charter in our daily tasks. We shall remind ourselves frequently about this charter.
- Understanding the fact that self-motivation is very essential to keep our spirits high and to strengthen our focus, we will ensure that we will remain self-motivated and self-disciplined.
- Understanding the role of self-learning in higher education, we faithfully take on the responsibility of self-learning [*under the guidance of faculty*].
- Variety being the spice of life, we appreciate the variegated opinions of our friends and consider them the essence of democratic thinking. The differences of our opinions and beliefs with regard to politics, religion and the like not prevent us from uniting in our effort for common progress based on this charter.
- We love our mother tongue and will keep it close to our heart, but we realize the importance of English as a global language, and we shall conquer it for bettering our future chances. Towards this end, we will unfailingly practice this language.
- We understand the importance of meeting persons from various fields and from various institutions with various outlooks and experiences. We shall always grab such opportunities which will help us to broaden our vision.
- We understand the importance of developing a positive attitude towards constructive criticism and of self-assessment and therefore we shall adopt both.
- We realize that education is not all about answering questions but about asking questions also. Hence we resolve to raise a question a day and display it for all to ponder, to kindle the spirit of creative questioning.
- Public hygiene and ecofriendly practices are obviously important to any civilized community and we shall strive to uphold these in all our actions.

COLLEGE ANTHEM

Lead, kindly Light, amid th'encircling gloom
lead Thou me on!

The night is dark, and I am far from home; lead Thou me on!
Keep Thou my feet; I do not ask to see
The distant scene; one step enough for me.

I was not ever thus, nor prayed that Thou shouldst lead me on;
I loved to choose and see my path; but now lead Thou me on!
I loved the garish day, and, spite of fears,
Pride ruled my will. Remember not past years!

So long Thy power hath blest me, sure it still will lead me on.
O'er moor and fen, o'er crag and torrent, till the night is gone,
And with the morn those angel faces smile, which I
Have loved long since, and lost awhile!

Meantime, along the narrow rugged path, Thyself hast trod,
Lead, Savior, lead me home in childlike faith, home to my God.
To rest forever after earthly strife
In the calm light of everlasting, life.

നിത്യമാം പ്രകാശമേ നയിക്കുകെന്ന നീ
ചുറ്റിലും ഇരുൾ പരന്നിടുന്ന വേളയിൽ
അന്ധകാരപൂർണ്ണമായ രാത്രിയാണുപോൽ
എൻ ഗൃഹത്തിൽ നിന്നും ഏറെ ദൂരെയാണു ഞാൻ

നീ നയിക്കുക! സാദരം വിഭോ!
നിൻ പ്രകാശധാര തുകി
നീ നയിക്കുക! നീ നയിക്കുക!

ഏറെ ദൂരെയുള്ള നല്ല കാഴ്ച കാണുവാൻ
അല്ല എന്റെ അർത്ഥനകൾ നിൻ വരത്തിനായ്
എന്റെ പാദമൊന്നു നീ നയിക്കിലെത്രയും
എന്റെ മാർഗ്ഗദീപമേ എനിക്കു തൃപ്തിയായ്

നീ നയിക്കുക! സാദരം വിഭോ!
നിൻ പ്രകാശധാര തുകി
നീ നയിക്കുക! നീ നയിക്കുക!

-St. John Henry Newman (1801 - 1890)

ST. JOHN HENRY NEWMAN (1801 - 1890)

St. John Henry Newman was a prominent religious leader, priest, popular preacher, writer, and eminent theologian of the 19th century, born on February 21, 1801 in London. In 1816, he entered Trinity College, Oxford. The experiences at Oxford gave him substance for his classic, "The Idea of a University". After 1833, he became the leader of the spiritual renewal known as the Oxford Movement. The movement was Newman's whole life between 1833 and 1845. In 1845 he embraced Catholicism. It was the culmination of a long interior struggle in search of truth and light. He says, "it was like coming to port after a rough sea." He was ordained priest in Rome in May 1847. Later in May 1879, Pope Leo XIII made him Cardinal. Cardinal Newman died on August 11, 1890. On his death, 'The Cork Examiner' affirmed "Cardinal Newman goes to his grave with the singular honour of being acknowledged by all creeds and classes as the just man made perfect."

Two volumes of Catholic sermons, two novels, three major sets of lectures, one of them the book we know as the "Idea of a University", two minor series of lectures - are the main literary works of Newman. "The Idea of a University" was published in 1852. The discourses in it are directed to the aims and principles of education. The book defines a gentleman as "one who does not inflict pain upon others." The aim of a university is to form a gentleman of everyone.

"Lead Kindly Light" is a beautiful hymn composed by Newman in 1833 while sailing from Sicily to France. It describes the author's spiritual conflict. The poem has gained universal acclaim as an expression of the basic conflict in the mind of everyone caught up in a dilemma. It was a favourite of Mahatma Gandhi. The Father of our nation used to sing it at his prayer meetings. It is our college anthem also.

The oeuvre of Newman includes 40 books and 21,000 letters that survive. Most famous are his book-length *Essay on the Development of Christian Doctrine*, *On Consulting the Faithful in Matters of Doctrine*, *Apologia Pro Vita Sua*—his spiritual autobiography up to 1864—and *Essay on the Grammar of Assent*.

Newman was canonised on 13 October 2019, by Pope Francis, in St. Peter's Square.

MENTORING SYSTEM

Newman College is committed to provide an environment of academic excellence and personal development to students with its strong student support systems to meet their academic and co-curricular needs. The mentoring system devised by the IQAC of the College ensures the support and guidance of a mentor on emotional, social and academic issues to every student. Effective mentoring also helps to accomplish program goals, ensuring consistency and stability.

The Mentoring policy, established as a framework and guidelines to provide individual care and support to the students, follows a multi-tier system of the mentor – mentee process to ensure a conducive environment for the overall development of every student.

Individual mentoring: Individual mentoring sessions are conducted at least twice in a semester. One faculty acts as a mentor to a group of around 20 students and has the following responsibilities:

- Mentors identify the academic, behavioural and emotional levels of the mentees and take action to provide support in necessary areas.
- Mentors try to apprehend their mentees and help them resolve issues related to their surroundings.
- Mentors help mentees to identify their academic potential and guide them to attain future goals.
- Mentors help students in self assessment and evaluation to select the best projects/ internships/ career options that reflect their interest and capability.
- Mentors motivate students to participate in co-curricular and extracurricular activities.
- Mentors keep the record of their discussions with mentees with confidentiality.
- Mentors will seek the assistance of higher authorities like Head of the department or Principal for issues which need such action for the best interest of the mentees.

Group mentoring: One or two Faculty members are given the charge of each class as Class Advisor. Class advisor has the following responsibilities:

- They monitor the day to day activities of the students and advice them on specific matters regarding their academics.
- They give induction and orientation to students regarding graduate attributes, assessment and evaluation system, e- resources in the library, enrolment to MOOC.
- They identify the general needs of the students and arrange programmes/ activities to meet the needs.

- They act as the liaison between students, parents, administration and alumni thereby ensuring the collective involvement of all stakeholders in the development of each student.

The following are the Faculty Advisors of each class.

PARENT TEACHER ASSOCIATION (PTA)

The parent teacher association shall consist of the Principal, representative of the Manager, the members of the teaching staff, Office Superintendent and parents of all students on the rolls in the college register. The executive committee shall be constituted with the Principal, representative of Manager, five parent representatives representing each batch of students and teacher representatives nominated by the Principal. The Principal shall be the ex-officio President and Treasurer of the Association. The Vice President shall be a parent representative and Secretary will be a teacher representative. The association takes special interest in the development of the College and renders every possible help to the management and teachers for the smooth running of the College.

LIBRARY & READING ROOM

1. The college encourages every student to read additional books and periodicals to supplement what is learnt in the class rooms. The college has a well-equipped fully computerised library with about fifty thousand books on various heads covering almost all scholastic and co-scholastic disciplines.
2. All the members of the staff and students are entitled to use the Library for consultation and for taking books on loan. The entry to and exit from the library are regulated by the RFID attached to the Identity card. The staff and students are, therefore, required to extend their ID cards towards the device fixed at the entrance.
3. The Library will function from 9 A. M. to 5.30 P. M. on all working days and from 9. 30 a. m. to 3. 30 p. m. on Saturdays.
4. Only writing materials can be taken inside the reading room and library.
5. The number of books that can be borrowed at a time is follows:

UG Students - 02	Teaching Staff	- 10
PG Students - 04	Non - Teaching Staff	- 03
6. All the books borrowed from the centred library by students and members of teaching and non-teaching staff must be returned by the first of March every year for the annual physical stock verification of the library.
7. Transfer Certificate will be issued and caution deposit refunded only after the clearing of all dues to the library.
8. A member of staff who proceeds on leave or on transfer must return all books borrowed from the library before proceeding on leave/transfer.
9. The teaching staff who fails to return the library books on or before the due date also entails to pay the five (Rs. 1/- per day).
10. For loss of books, the following procedure will be followed.
 1. If the copies of the book is available with the suppliers, the book has to be replaced with a new one.
 2. If the it is not available for replacement, the value of the lost book will be realised at the following rates.
 - a. Ten times the face value of the books which are published prior to 1946.

- b. Six times face value of the books which are published prior to 1970.
 - c. Three times face value of the books in all other cases.
 - d. If the book value cannot be ascertained from the library stock registers, compensation will be fixed on the basis of the market price of similar publication at the time of fixation.
11. Books in the reference section will not be lent out, but they may be consulted in the library.
 12. The Principal and the Librarian have the right to call back any book at 24 hours notice.
 13. Strict silence should be observed in the library and its premises.
 14. Readers will be responsible for any damage caused to books or any library property. To be safe, when a book is issued to a reader, he / she must point out to the Librarian any defect noted concerning the book. Otherwise the presumption will be that the book was quite intact when issued. CCTV is arranged in the Library to ensure strict surveillance.
 15. To get books on loan, degree students have to obtain one library card and P. G. students have to obtain two library cards on payment of Rs. 10/- each.
