NEWMAN COLLEGE STUDENT CHARTER

We the students of Newman College, Thodupuzha, have consciously debated and meticulously documented this charter.

- Foremost, we resolve to make deliberate effort to propagate adopt and accomplish the aims of this charter in our daily tasks. We shall remind ourselves frequently about this charter.
- Understanding the fact that self-motivation is very essential to keep our spirits high and to strengthen our focus, we will ensure that we will remain self-motivated and self-disciplined.
- Understanding the role of self-learning in higher education, we faithfully take on the responsibility of self-learning [*under the guidance of faculty*].
- Variety being the spice of life, we appreciate the variegated opinions of our friends and consider them the essence of democratic thinking. The differences of our opinions and beliefs with regard to politics, religion and the like not prevent us from uniting in our effort for common progress based on this charter.
- We love our mother tongue and will keep it close to our heart, but we realize the importance of English as a global language, and we shall conquer it for bettering our future chances. Towards this end, we will unfailingly practice this language.
- We understand the importance of meeting persons from various fields and from various institutions with various outlooks and experiences. We shall always grab such opportunities which will help us to broaden our vision.
- We understand the importance of developing a positive attitude towards constructive criticism and of self-assessment and therefore we shall adopt both.
- We realize that education is not all about answering questions but about asking questions also. Hence we resolve to raise a question a day and display it for all to ponder, to kindle the spirit of creative questioning.
- Public hygiene and ecofriendly practices are obviously important to any civilized community and we shall strive to uphold these in all our actions.

COLLEGE ANTHEM

Lead, kindly Light, amid th'encircling gloom
lead Thou me on!

The night is dark, and I am far from home; lead Thou me on!
Keep Thou my feet; I do not ask to see
The distant scene; one step enough for me.

I was not ever thus, nor prayed that Thou shouldst lead me on;
I loved to choose and see my path; but now lead Thou me on!
I loved the garish day, and, spite of fears,
Pride ruled my will. Remember not past years!

So long Thy power hath blest me, sure it still will lead me on.
O'er moor and fen, o'er crag and torrent, till the night is gone,
And with the morn those angel faces smile, which I
Have loved long since, and lost awhile!

Meantime, along the narrow rugged path, Thyself hast trod,
Lead, Savior, lead me home in childlike faith, home to my God.
To rest forever after earthly strife
In the calm light of everlasting, life.

നിത്യമാം പ്രകാശമേ നയിക്കുകെന്ന നീ
ചുറ്റിലും ഇരുൾ പരന്നിടുന്ന വേളയിൽ
അന്ധകാരപൂർണ്ണമായ രാത്രിയാണുപോൽ
എൻ ഗൃഹത്തിൽ നിന്നും ഏറെ ദൂരയാണു ഞാൻ

നീ നയിക്കുക! സാദരം വിഭോ!
നിൻ പ്രകാശധാര തുകി
നീ നയിക്കുക! നീ നയിക്കുക!

ഏറെ ദൂരെയുള്ള നല്ല കാഴ്ച കാണുവാൻ
അല്ല എന്റെ അർത്ഥനകൾ നിൻ വരത്തിനായ്
എന്റെ പാദമൊന്നു നീ നയിക്കിലെത്രയും
എന്റെ മാർഗ്ഗദീപമേ എനിക്കു തൃപ്തിയായ്

നീ നയിക്കുക! സാദരം വിഭോ!
നിൻ പ്രകാശധാര തുകി
നീ നയിക്കുക! നീ നയിക്കുക!

-St. John Henry Newman (1801 - 1890)

ST. JOHN HENRY NEWMAN (1801 - 1890)

St. John Henry Newman was a prominent religious leader, priest, popular preacher, writer, and eminent theologian of the 19th century, born on February 21, 1801 in London. In 1816, he entered Trinity College, Oxford. The experiences at Oxford gave him substance for his classic, "The Idea of a University". After 1833, he became the leader of the spiritual renewal known as the Oxford Movement. The movement was Newman's whole life between 1833 and 1845. In 1845 he embraced Catholicism. It was the culmination of a long interior struggle in search of truth and light. He says, "it was like coming to port after a rough sea." He was ordained priest in Rome in May 1847. Later in May 1879, Pope Leo XIII made him Cardinal. Cardinal Newman died on August 11, 1890. On his death, 'The Cork Examiner' affirmed "Cardinal Newman goes to his grave with the singular honour of being acknowledged by all creeds and classes as the just man made perfect."

Two volumes of Catholic sermons, two novels, three major sets of lectures, one of them the book we know as the "Idea of a University", two minor series of lectures - are the main literary works of Newman. "The Idea of a University" was published in 1852. The discourses in it are directed to the aims and principles of education. The book defines a gentleman as "one who does not inflict pain upon others." The aim of a university is to form a gentleman of everyone.

"Lead Kindly Light" is a beautiful hymn composed by Newman in 1833 while sailing from Sicily to France. It describes the author's spiritual conflict. The poem has gained universal acclaim as an expression of the basic conflict in the mind of everyone caught up in a dilemma. It was a favourite of Mahatma Gandhi. The Father of our nation used to sing it at his prayer meetings. It is our college anthem also.

The oeuvre of Newman includes 40 books and 21,000 letters that survive. Most famous are his book-length *Essay on the Development of Christian Doctrine*, *On Consulting the Faithful in Matters of Doctrine*, *Apologia Pro Vita Sua*—his spiritual autobiography up to 1864—and *Essay on the Grammar of Assent*.

Newman was canonised on 13 October 2019, by Pope Francis, in St. Peter's Square.

MENTORING SYSTEM

Newman College is committed to provide an environment of academic excellence and personal development to students with its strong student support systems to meet their academic and co-curricular needs. The mentoring system devised by the IQAC of the College ensures the support and guidance of a mentor on emotional, social and academic issues to every student. Effective mentoring also helps to accomplish program goals, ensuring consistency and stability.

The Mentoring policy, established as a framework and guidelines to provide individual care and support to the students, follows a multi- tier system of the mentor – mentee process to ensure a conducive environment for the overall development of every student.

Individual mentoring: Individual mentoring sessions are conducted at least twice in a semester. One faculty acts as a mentor to a group of around 20 students and has the following responsibilities:

- Mentors identify the academic, behavioural and emotional levels of the mentees and take action to provide support in necessary areas.
- Mentors try to apprehend their mentees and help them resolve issues related to their surroundings.
- Mentors help mentees to identify their academic potential and guide them to attain future goals.

- Mentors help students in self assessment and evaluation to select the best projects/ internships/ career options that reflect their interest and capability.
- Mentors motivate students to participate in co-curricular and extracurricular activities.
- Mentors keep the record of their discussions with mentees with confidentiality.
- Mentors will seek the assistance of higher authorities like Head of the department or Principal for issues which need such action for the best interest of the mentees.

Group mentoring: One or two Faculty members are given the charge of each class as Class Advisor. Class advisor has the following responsibilities:

- They monitor the day to day activities of the students and advice them on specific matters regarding their academics.
- They give induction and orientation to students regarding graduate attributes, assessment and evaluation system, e- resources in the library, enrolment to MOOC.
- They identify the general needs of the students and arrange programmes/ activities to meet the needs.
- They act as the liaison between students, parents, administration and alumni thereby ensuring the collective involvement of all stakeholders in the development of each student.

The following are the Faculty Advisors of each class.

- (i) Internal or In-Semester Assessment (ISA)
- (ii) External or End-Semester Assessment (ESA)

The internal to external assessment ratio shall be 1:4, for both courses with or without practical. There shall be a maximum of 80 marks for external evaluation and maximum of **20** marks for internal evaluation. For all courses (theory & practical), grades are given on a 07-point scale based on the total percentage of marks. **(ISA+ESA)** as given below

Percentage of Marks	Grade	Grade Point
90 and above	A+ - Outstanding	10
80-89	A - Excellent	9

70-79	B - Very Good	8
60-69	C - Good	7
50-59	D - Satisfactory	6
40-49	E - Adequate	5
Below 40	F - Failure	4

Note: Decimal are to be rounded to the next whole number

10. CREDIT POINT AND CREDIT POINT AVERAGE

Credit Point (CP) of a course is calculated using the formula

CP = C x GP, where C = Credit; GP = Grade point

Credit Point Average (CPA) of a Semester/Programme is calculated using the formula

CPA = TCP/TC, where TCP = Total Credit Point; TC = Total Credit Grades for the different semesters and overall programme are given based on the corresponding CPA as shown below:

CPA	Grade
Above 9	A+ - Outstanding
Above 8, but below or equal to 9	A - Excellent
Above 7, but below or equal to 8	B -Very Good
Above 6, but below or equal to 7	C - Good
Above 5, but below or equal to 6	D - Satisfactory
Above 4, but below or equal to 5	E - Adequate
4 or below	F - Failure

Note: A separate minimum of 30% marks each for internal and external (for both theory and practical) and aggregate minimum of 40% are required for a pass for a course. For a pass in a programme, a separate minimum of Grade E is required for all the individual courses. If a candidate secures F Grade for any one of the courses offered in a Semester/ Programme only F grade will be awarded for that Semester/Programme until he/she improves this to E grade or above within the permitted period. Candidate who secures E grade and above will be eligible for higher studies.

11. MARKS DISTRIBUTION FOR EXTERNAL EXAMINATION AND INTERNAL EVALUATION

13. **ASSIGNMENTS**

Assignments are to be done from 1st to 4th Semesters. At least one assignment should be done in each semester.

14. **SEMINAR/VIVA**

A student shall present a seminar in the 5th semester and appear for Vivavoce in the 6th semester.

15) **INTERNAL ASSESSMENT TEST PAPERS**

At least one internal test-paper is to be attended in each semester for each course. The evaluations of all components are to be published and are to be acknowledged by the candidates. All documents of internal assessments are to be kept in the college for two years and shall be made available for verification by the University. The responsibility of evaluating the internal assessment is vested on the teacher(s), who teach the course.

15.1 **Grievance Redressal Mechanism**

Internal assessment shall not be used as a tool for personal or other type of vengeance. A student has all rights to know, how the teacher arrived at the marks. In order to address the grievance of students a three-level Grievance Redressal mechanism is envisaged. A student can approach the upper level only if grievance is not addressed at the lower level.

Level 1: Dept. Level: The department cell chaired by the Head; and Dept. coordinator and teacher in-charge, as members.

- Level 2: College level: A committee with the Principal as Chairman, Dept. Coordinator, HOD of concerned Department and a senior teacher nominated by the College council as members.
- Level 3: University Level: A Committee constituted by the Vice-Chancellor as Chairman and Pro-Vice-Chancellor, Convener - Syndicate sub-committee on Students Discipline and Welfare, Chairman- Board of Examinations as members and the Controller of Examination as member-secretary.
- 15.2 The college council shall nominate a senior teacher as coordinator of internal evaluations. This coordinator shall make arrangements for giving awareness of the internal evaluation components to students immediately after commencement of I semester
- 15.3 The internal evaluation report in the prescribed format should reach the University before the 4th week of October and March in every academic year.

16. External examination

The external examination of all semesters shall be conducted by the University at the end of each semester.

- 16.1 Students having a minimum of 75% average attendance for all the courses only can register for the examination. Condonation of shortage of attendance to a maximum of 10 days or 50 hours in a semester subject to a maximum of 2 times during the whole period of the programme may be granted by the University on valid grounds. This condonation shall not be counted for internal assessment.

Benefit of attendance may be granted to students attending University/ College union/Co-curricular activities by treating them as present for the days of absence, on production of participation/attendance certificates, within one week, from competent authorities and endorsed by the Head of the institution. This is limited to a maximum of 10 days per semester and this benefit shall be considered for internal assessment also.

Those students who are not eligible even with condonation of shortage of attendance shall repeat the course along with the next batch.

- 16.2 All students are to do a project. This project can be done individually or as a group of 3 students. The projects are to be identified during the II semester of the programme with the help of the supervising teacher. The report of the project in duplicate is to be submitted to the department at the sixth semester and are to be produced before the examiners appointed by the University.
- 16.3 There will be no supplementary exams. For reappearance/ improvement,

- the students can appear along with the next batch.
- 16.4 A student who registers his/her name for the external exam for a semester will be eligible for promotion to the next semester.
 - 16.5 A student who has completed the entire curriculum requirement, but could not register for the Semester examination can register notionally, for getting eligibility for promotion to the next semester.
 - 16.6 A candidate who has not secured minimum marks/credits in internal examinations can re-do the same registering along with the University examination for the same semester, subsequently.
 17. All programmes and courses shall have unique alphanumeric code. Each teacher working in affiliated institutions shall have a unique identification number and this number is to be attached with the codes of the courses for which he/she can perform examination duty.

The Coordinator shall make arrangement to give proper awareness of the programme, especially internal/continuous evaluation scheme to the students admitted.

The coordinator shall propose to the college council, the measures which are to be taken in the continuous evaluation.

The coordinator shall work as a link between the college and the university (as an assistance to the Principal) in academic matters.

The coordinator shall make arrangements for giving awareness of the internal evaluation components to students immediately after commencement of I semester.

The college shall send a list of students registered for each programme in the prescribed format given by the university.

The college shall intimate the student strength for each open course to the university.

The Department Level Co-ordinator
